Notes to Financial Statements

Statement of accounting Policies

General

The accounting principles used are based on historical costs.

The financial statements have been prepared in accordance with the Guidelines for annual reporting 640 'Not-for-profit organisations'. The financial statements were prepared on March 27th, 2017. There were no changes in accounting policies.

The financial statements are prepared to assist European Christian Political Movement to comply with Part B: Financial Provisions of

the grant award decision dated December 17th, 2015.

Basis of Accounting

The accompanying financial statements are presented in accordance with the accrual basis of accounting, whereby, revenue is recognized when earned and expenses are recognized when incurred.

Tangible and intangible fixed assets in use by the company are carried at the costs of acquisition net of accumulated depreciation. Depreciation is calculated on a straight-line basis over their expected useful economic lives, taking into account their residual value. Receivables are carried at face value net of a provision for doubtful debts where necessary. Cash at bank and in hand are carried at face value.

The provision carry- over is calculated in accordance with Part B: Financial Provisions of the grant award decision. Current liabilities are carried at face value.

The gross operating result represents the grant from the European Parliament, membership fees, donations, other own resources, contributions in kind and additional own resources.

Interest Income is recognised pro rata in the profit and loss account, taking into account the effective interest rate for the asset concerned.

Expenses are determined with due observance of the aforementioned accounting policies and allocated to the financial year to which they relate.

Interest is allocated to successive financial reporting periods in proportion to the outstanding principal.

Comparable figures

The comparable figures for 2015 are not adjusted in comparison with the 2015 financial report.
